This can go to technical review. It's a simple text change.

Hello Steve,

We received the above-mentioned application on 10/29. The IR is due on 11/13.

Please email me, cc to Jim and Daron, when the IR is complete. At that time I will send an email notification to the Operator and Jim will assign a team to review.

Also, let me know if a hard copy of this application should be forwarded to PFO.

Thanks  
Suzanne
